Brief History

YDU was solely founded and financed by Dr. Kwang-Ya Wang and his wife in 1999. With more than 60 years of educational experiences coupled with his lofty ideal of fostering first-class professionals in the field of business, management, and language in Taiwan, Dr. Wang came to choose the campus at a scenic village in Chaochiao Township, Miaoli County to start fulfilling his great aspiration of establishing one of the most exquisite, excellent universities in Taiwan.

Under the guidance of Dr. Wang's educational ideal, that is "Ethnicity, Innovation, Quality and Performance" and his so-called "3-3-3" educational policy, faculty members and students have spared no efforts to push the school forward. As a result, YDU has attained numerous achievements in merely 18 years. Its administrative function has been remarkably progressing day by day. With a yearly growth in both student population and faculty members, YDU proves itself to be a reputable school which has already been recognized by the public in Taiwan.

YDU is composed of 3 undergraduate schools accommodating 11 departments and 3 graduate institutes.

College of Management:

Department of Information Management、Department of Marketing and Logistics Management、Bachelor Degree Program of IOT Engineering and Applications

College of Humanities and Social Sciences:

Department of Applied Japanese、Department of Child Care and Education、Department of Health care and Social Work

College of Leisure and Creativity:

Department of Leisure Management、Department of Hospitality Management、Department of Fashion Styling and Design、Department of Recreational Sports Management、Department of Multimedia and Game Design

Learning Environment

YDU features a digital, comprehensive learning environment, emphasizing humanity, practical training, and sources sharing. YDU has installed state-of-the-art hardware like the teaching podiums used in every classroom plus many wireless Internet boxes dotting over every campus corner, making YDU the most comfortable, relaxing place for work and study. Besides wireless Internet access and optical fiber network, there are 134 professional classrooms equipped with air conditioners, a video projector, and an e-digital desk.

Scholarship

YDU provides scholarship for foreign students. Besides, many part-time job opportunities are available for students to alleviate their tuition burden.

Student Dormitory

To meet the needs of those students who live on campus, YDU has three dormitories with 1,675 beds. The dormitories are equipped with air conditioning, the Internet, audio-visual rooms, lounges, reading rooms, gymnasiums, table tennis areas and billiards areas, which are all well managed. The living environment here is nice and serene.

Cafeterias & Restaurants

The places for eating and drinking on campus are broad, bright, and comfortable. YDU has cafeterias and restaurants that offer almost everything to eat and drink, which is nice and cheap for teachers and students to enjoy.

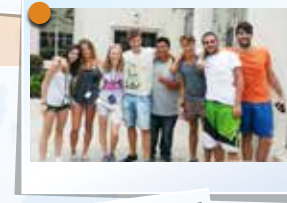

Leisure Activities

There are table tennis rooms, dance rooms, fitness classrooms, basketball fields, volleyball fields, badminton fields, tennis courts and e-audio-visual rooms available for student various kinds of leisure activities.

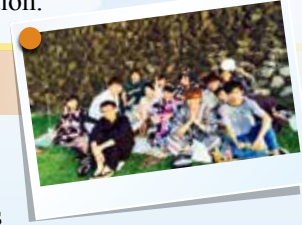

Extracurricular Activities

YDU encourages extracurricular activities. YDU has more than 70 clubs, including service, academic, recreational and physical types. YDU also offers clubs offices and nice equipments to use. Regular evaluations of clubs are held to promote the development of the clubs. Most of our student clubs are premium ones certified by Ministry of Education.

International Vision

YDU is eager to fulfill international academic exchanges. At present it has concluded 121 foreign sister schools, carried out reciprocal visits in a regular interval, executed student exchange and teacher exchange, helped some outstanding students to study abroad.
